Harshada Jagtap

Full Stack Web Developer

Professional Summary

Dynamic Full Stack Web Developer with expertise in the MERN stack, adept at optimizing frontend components. Strong skills in JavaScript, Node.js, React, and MongoDB. Capable of learning new technologies swiftly for innovative solutions.

Experience

- YourDOST | Software Development Engineer
December 2022-present
 - At YourDOST, specialized in front-end and mobile development, utilizing Angular, React, and Flutter to create dynamic user interfaces.
 - Enhanced user features and improved platform performance, contributing to key projects during the tenure from 2022 to 2024.

Projects

- YourDOST - Online Counseling & Emotional Wellness Coach [Live Demo Link](#)
 - JavaScript
 - React
 - Git
 - Redux
 - Responsive Web Design
 - CSS3
 - HTML5
 - Flutter
 - Revamped 'Home page' and 'All experts page' to enhance user engagement using React.
 - Designed and implemented a few assessment modules for the web platform with Angular, and the mobile app with Flutter.
 - Expanded appointment booking system, integrating new types of consultations with existing services.
 - Developed an internal platform with real-time Firebase integration for counselors to boost counselor efficiency.
 - Embedded Amplitude events in user journeys to improve analytics tracking and data-driven decision-making.

CLONE OF CLOCKIFY [Live Demo Link](#) [Github Repo Link](#)

- React
- Redux
- MongoDB
- Express.js
- Chakra UI
- CSS3
- JavaScript
- Node.js
- Collaborated with a team to design and implement authentication processes using JWT for secure user access.
- Assisted in developing the server-side APIs with Node.js and Express.js to manage project time tracking functionalities.
- Contributed to the frontend component development using React and Redux, ensuring seamless user experience.
- Helped in designing MongoDB database models to efficiently store and retrieve timesheet data.
- Participated in debugging and testing efforts to ensure accuracy and reliability of time tracking features.
